Except when service is covered under Apple's one year limited warranty, an AppleCare service contract, or statutory consumer rights, the service of your product, as described above, is governed by the Apple Repair Terms & Conditions, as set forth on the Work Authorization you signed when you originally authorized service.

Note: The items identified above have been exchanged by Apple for new or refurbished parts or products. Any applicable cost is indicated adjacent to the part(s) or product description. Service parts are subject to tax.
